(Ord. 90-07, passed 4-2-90)

113.02 Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings respectively ascribed to them in this section, except where the context clearly requires otherwise.

“FILM PRODUCTION” is the commercial taking or making of a motion picture, television, videotape, commercial still photography or film production whether or not town equipment or town facilities are utilized. This term shall include productions on public or private property and not at a studio, including productions requiring the erection of tents or other temporary structures.

“PRODUCTION PERMIT” is the permit required by this chapter for film productions.

“TOWN EQUIPMENT” is any tangible property, other than real property, purchased by public funds and utilized in the normal course and scope of providing service to the Town of Longboat Key.

“TOWN FACILITY” is any public street, sidewalk, place or building owned or controlled by or under the jurisdiction of the Town of Longboat Key. (Ord. 90-07, passed 4-2-90)

113.03 Permitting authority.

The Town Manager is hereby authorized to act as the permitting authority for the Town of Longboat Key in the receipt and the processing of applications for production permits.
